### Emperor Academy Ataa Mensah, Ghana

*Friends: I am beginning some travel for work tomorrow and will be limited for the next 4-6 weeks in my ability to get some updates out to you. Thus I wanted to do a quick one as things are moving so fast since we last talked just 25 December.*

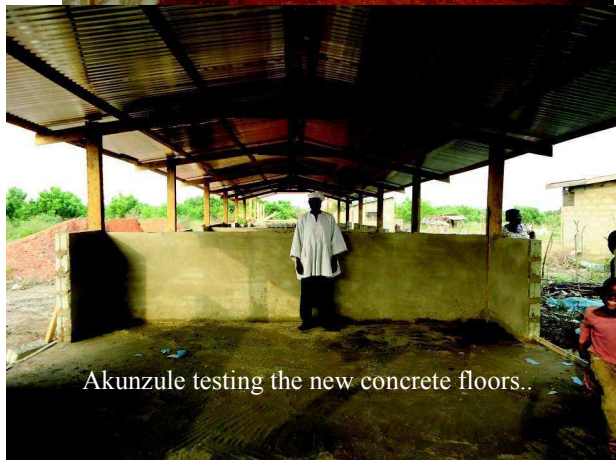

*I am often reminded that if I will just get out of the Lord's way He can operate much better without my help. (I hear you out there laughing...) The photos will tell the story and probably by April if not before we will be moving into our new facility which includes:*

*Four (4) Classrooms, Kitchen, Storeroom/Office, KVIP (Kumasi Ventilated-Improved Pit) toilet. Some water storage issues etc.*

*remain and other odds/ends but... we've been operating for over a year with no toilet, cooking outside with our old poultry barn for classrooms. I must admit though - that ole barn was a very special gift. It has served us well, but thanks to you... Look at this ... !!! More to come...*

*-John*

Akunzule testing the new concrete floors..

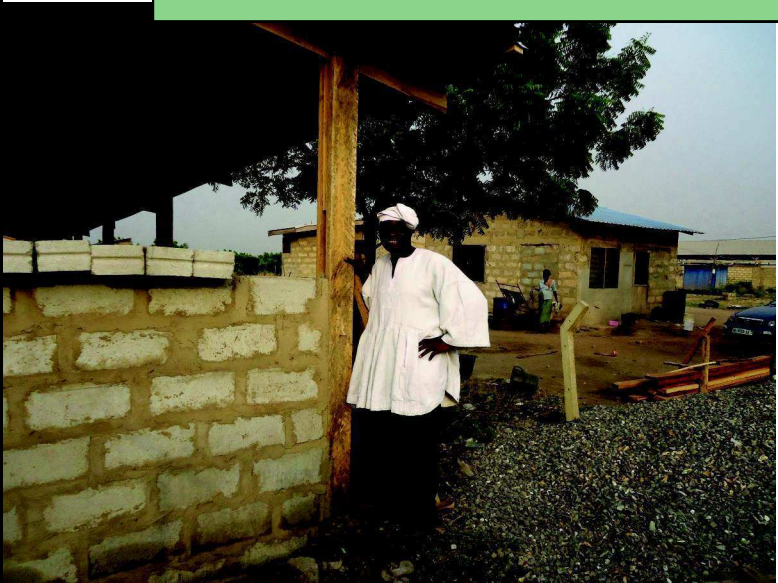

....."Everyone to whom much was given, of him much will be required.....". Luke 12:48. "We don't have to do much, but we're all called to do something." JR.

I have said it before but... my brother "Akunz" is the driving force behind Emperor Academy. He has put together the best contract laborers, the best teachers/staff, the best headmistress and the best board and chairman you could imagine. He will take no credit because he wants God to have the glory. - John

**Don't forget Belize!** Victor Gongora, and staff are working to add Vacation Bible School this summer to nurture and feed the children when school is not open. Also the Tear family, (Gary, Cecilia, Adrian and Mara, pictured left) will be visiting this February-March, and will help with the breakfast and schoolwork, especially English and Math and teach English as a second language to immigrants. Gary is our other board member and is very much appreciated. We will have another Belize specific update soon.
